# Brilliant by Nature

Outstanding  
anti-fingerprinting

Highly scratch resistant

Exceptional machinability

Easy maintenance

UV light resistant

Heat resistant

Superior coating technology on  
1 or 2 side(s)

Offered in High Gloss or Perfect Matt finishes, Lummia lacquered panels are the ideal choice to meet the needs of today's design professionals and consumers. What's more, their outstanding machinability, remarkable resistance to scratches and fingerprints and vast range of colors make them ideal for virtually any application.

## Superior Lacquering Technology

Resins over Particle board or MDF made in North America
