WOOD COATINGS
DIVISION

WWW.ATLANTICPLYWOOD.COM

From surface prep, to the perfect color to the perfect finish, Atlantic Plywood Wood Coatings division has you covered.

Featured Services

Wood Coatings Specialists

Atlantic Plywood employs the best trained specialists in the business. They're willing and available to offer guidance on finish selection, application and proper spraying techniques, as well as troubleshooting and proper reductions to achieve the results you desire.

Demos

We will come to you! No matter how much you learn outside, real world and real work happen in your shop. Our specialists provide in-shop demos and training on our wood coating products and finishing processes – everything from spraying stains, toning and even glaze systems.

Tint Specialists / Color Matching

APC also trains and employs a team of expert stain, toner, and color matching specialists that can match or mix that exact desired color. In addition to custom colors, we can match custom stain and paint color formulas from leading manufacturers like Benjamin Moore, Sherwin Williams, Conestoga, Pantone and Decorative Specialties, all with a rapid turnaround time and fully-automated with our COROB Automated matching system.

Technical Support

In addition to our Wood Coatings Specialists, Atlantic Plywood offers a dedicated finish hotline, product managers, ML Campbell / Sayerlack regional managers and an outside sales staff to handle all of your questions and needs.

OUR
COMMITMENT
TO YOU

High-end, Italian-made solvent-borne and waterborne coatings

The Industry Gold Standard of precatylised and conversion varnishes in the market

Not only is Mirka one of the world's largest producers of coated abrasives, but they produce and supply a wide range of power tools and polishing components for finishing applications.

C.A. Technologies manufacturers and supplies American-made spray systems ranging from cup guns to air assisted airless pumps for small to large production shops.

AND MUCH MORE

Atlantic Plywood also distributes a large selection of consumables like gloves, booth filters, rags, measuring cups and much more.
